

THE NATIONAL GAME.

The Season Opened Auspiciously
At Every Point Yesterday.

GLASSCOCK'S FOUR COSTLY ERRORS

Help to Lose St. Louis the Game.
Pittsburgh Does Good Batting at
at Cincinnati and Wins—Home
Clubs beaten all But One—Boston's
Easy Victory at Washington—The
Day Successful Financially in Most
Places.

St. Louis, April 12.—It was not an
ideal day for base ball, the weather being
cold and cheerless, still a crowd of
3,000 persons witnessed the opening
championship contest. It was a wretchedly
played game on both sides. Glass-
cock, upon whom the Browns relied so
much, was found wanting in his playing
at short. He made no less than four
costly errors. Gleason was batted freely
throughout, Dahlen and Dungen
particularly finding him an easy mark.
"Uncle" Anson hit into the right field
bleachers for a home run immediately
after Ryan had rapped out a hit for four
bases, and was rapturously applauded.
Gumbert had a finger split by a hot one
from Werlen's bat in the first half of
the third, and Hutchinson relieved him.
All the notables in town were present,
including Lillian Russell and John L.
Sullivan. Score:

St. Louis	4	0	0	4	0	1	2	3	19
Cincinnati	1	1	0	2	0	0	0	0	3

Earned runs, 4 and 3. Pitchers, Gleason,
Brentonstein, Gumbert and Hutchinson.
Hits, 9 and 14. Errors, 5 and 5.
Time, 2:35. Umpire, Sheridan.

LOUISVILLE, Ky., April 12.—The opening
of the base ball season of 1892 was
made a gala day in Louisville. Excursions
were run into the city from surround-
ing towns for the occasion. There
were 5,000 people present. All of Louis-
ville new men showed up in great form,
especially Pfeiffer, Grim and Brown.
Grim and Brown's timely batting won
the game for the home team. Score:

Louisville	0	1	0	4	0	0	0	0	5
Cincinnati	0	0	0	0	0	0	0	0	2

Pitchers, Meekin and Davies. Time,
2 hours. Umpire, Emble. Hits, 9 and
4. Errors, 1 and 2.

CINCINNATI, O., April 12.—The opening
day of base ball in Cincinnati was a
great success financially. Fully 7,000
people were present. The weather was
quite cool and prevented a larger at-
tendance. Pittsburgh did good batting
at the right time, while Mark Baldwin
was wonderfully effective against the
Reds. Every one of Cincinnati's three
errors cost a run. Score:

Cincinnati	1	0	0	0	0	0	0	0	1
Pittsburgh	0	1	0	0	1	0	0	0	2

Errors, 3 and 1. Hits, 7 and 1. Pitch-
ers, McMahon and Foutz. Earned runs,
Brooklyn 3, Umpire, Maloney.

WASHINGTON, D. C., April 12.—Over
6,000 people witnessed the opening game
to-day. Clarkson and Kelly, for the
visitors, did excellent work. Boston
took the lead at the start and gained an
easy victory. Killen pitched good ball
at the outset, but was poorly supported
and this seemed to discourage him. Score:

Washington	0	0	0	0	0	0	0	2	4
Boston	2	0	0	0	2	0	0	2	11

Errors, 3 and 0. Home runs, Clark-
son and Long. Pitchers, Killen and
Clarkson. Umpire, Gaffney.

PHILADELPHIA, Pa., April 12.—The
base ball championship season was
formally opened here to-day, but owing
to the cold weather and the increased
price in the admission fee, the attend-
ance was less than half that in former
years. The game was on the whole
well played, but Hallman's errors were
sufficient to earn defeat. Attendance,
4,700. Score:

Philadelphia	2	0	0	0	0	0	0	0	2
New York	1	0	0	0	1	0	0	0	2

Errors, Philadelphia, 3; New York, 0.
Pitchers, Keefe and Russio. Umpire,
Hurst.

Hall and Fitzsimmons Matched.

NEW YORK, April 12.—Jim Hall and
Bob Fitzsimmons have agreed to meet
in the prize ring and fight to a finish,
for a purse not less than \$12,000 and a side
bet of \$5,000 each. The fight will occur
at the Olympic, New Orleans, Cal-
ifornia or Pacific, of San Francisco,
which ever offers the largest purse.

IN DISGRACE.
The Only Chinaman in Our Army—He
Served Through the War.

CHICAGO, April 12.—Private Edward
De Cahota, the only Chinaman
in the army of the United States, has
been banished in disgrace from Fort
Sheridan near this city to the distant
west. Cahota, who is a private in Co.
"H," 15th Infantry, fought through the
war and has been in the service over
27 years. The cause of his removal to
his new station, Fort Niobrara, is for
selling liquor and keeping a gambling
house, which was patronized by his
white comrades in arms.

KNIGHTS OF HONOR.

The Grand Lodge to Convene at Elizabeth
To-day.

PARKERSBURG, W. Va., April 12.—The
annual meeting of the state lodge of the
Knights of Honor will convene at Eliza-
beth to-morrow. The meeting will last
all day and possibly two days. To-mor-
row night the local lodge will entertain
their guests with a banquet. Quite a
number of delegates and representa-
tives from various parts of the state
arrived here last night and left this
morning on the steamer Hilton for
Elizabeth. From this city went George
Deora, C. H. Richardson, G. B. Gibbons,
A. F. Gibbons, Robert Alexander, John
Hieble and J. M. Heinkefer.

Among the other Knights of Honor

G. Echols and Benjamin Driggs, of
Huntington, and L. B. Prudy, of
Moundsville.

THEY WANT WATTS.
He May Be Prevailed Upon to "Relax His
Negation."

CHARLESTON, W. Va., April 12.—It has
generally been understood that General
C. C. Watts had positively declined to
be a Democratic candidate for governor,
but a petition has been circulated
among the miners and working people
generally, asking him to reconsider his
decision. It is understood that his
championship of the seceder and scrip
bills in the senate last winter led to this
action, and the petition is said to be 14
feet long. It was formally presented to
him last evening and an early answer is
expected. Kanawha Democrats gen-
erally have not considered General Watts
in the field, but he may yet show up as
a prominent rival to Colonel McCorkle.

HISTORIC CHARACTER DEAD.

Brown Jury Dies at Shepherdstown.

MARTINSBURG, W. Va., April 12.—

died at Shepherdstown yesterday even-
ing. He was one of the two remaining

BELLAIRE
All Sorts of Local News and Gossip from
the Glass City.

The old Council settled up its busi-
ness last night and adjourned sine die.
The new Council is composed of seven
of the old members, Messrs. W. M.
Reed and Jacob Bonebrake being the
only ones to retire; but Oliver Black-
burn died sometime since, hence three
new members take seats in the new
body. A. M. F. Boyd, Keuben Lowe and
James H. Campbell. The Council
elected Luke Gavin, president, and
Joseph Clements, vice president. The
clerk holds over for another year, and
this is all there is of the organization
except the appointment of committees,
which will be done next week.

Fifty employees of the Bellaire
Stamping company left here yesterday
afternoon via the C. & P. road for Har-
vey, Ill. Mr. W. C. Stewart, the sec-
retary, accompanied them. In about two
weeks forty others will go out. Several
of these people have families and own
property here. They would have liked
to remain in town, but rather than be
idle chose the only thing left for them
to do—go with the company to its new
location.

The mayor last night reported the ap-
pointment of six night watchmen.
Council rejected the name of Donald
McDonald by a unanimous vote, that
of James S. Johnson by a tie vote, and
that of John Strobel by a vote of six to
five. Charles Jahnke, William Burke
and Peter Malley were confirmed. The
mayor refused to send in other names,
and so the matter stands.

Marshal D. C. Shepherd retired from
that office last night and Officer Charles
Johnson, who has been on the police
force for ten years, took his place. John
Madden retired from the city com-
missioner's office after four years' service,
and was succeeded by Cornelius Curran.
These are the only changes in the ac-
tive city officers.

The newly elected city commissioner

regarded for several years.

SHATTERED NERVES.

Fearful Result of Neglecting
Weak Nerves.

Great Prevalence of Brain and Nerve Ex-
haustion at this Season of the Year—A
Sure Preventive Against the Terrible
Nerve Weakness—Save Your Brain and
Nerves in Time.

"Shot himself dead." Why? Brain exhaustion,
and shattered nerves from overwork, fret, worry.
Men and women are straining their brains, ex-
hausting their nervous and physical strength,
until sleepless nights, falling strength, nervous
exhaustion, paralysis, insanity, or death follow.

They are warned of their doom by strange sen-
sations, dull, dizzy, bad feeling head, malaria,
irritability, nervousness, sleepless nights, tired
waking, weak, trembling, cold limbs, languor,
sense of nervous and physical exhaustion. Kid-
ney and liver diseases, or constipation. These
are danger signals. At this season all these
symptoms are made much worse by Spring De-
pression.

The Grip also, has made more suicides than
any other known disease, for it always leaves
those who have it with weak nerves, exhausted
energies, blue and depressed in mind, debilitated
in body.

What is to be done? Use Dr. Greene's Nervura,
and this great nerve, brain and blood invigorator
will give you a clear brain, strong nerves and
sound health. Purely vegetable and harmless.
Sold by druggists, \$1.

"I deem it my duty to the public to state the
wonderful effects of Dr. Greene's Nervura in my
case. As a result of too close confinement to
office work, business cares and anxieties, I broke
down with nervous prostration. I began the
use of Dr. Greene's Nervura. My improvement
has been gratifying, and I am enabled to do the
change in my feelings and prospects. Where
all was gloom and despondency, there is
now light and hope. I gained 14 pounds, and
am still gaining. Not alone myself, but I know
many others who can testify to the merits of Dr.
Greene's Nervura."
